Sing Together (third edition)*

## **Brownie Smile Song**

I've something in my pocket  
It belongs across my face  
And I keep it very close at hand  
In a most convenient place  
I'm sure you couldn't guess it  
If you guessed a long long while  
So I'll take it out and put it on  
It's a great big Brownie smile!

*Girl Scouts Greatest Hits Vol's 1 – 6*

## **Be Kind To Your Web Footed Friends**

Be kind to your web-footed friends  
For a duck may be somebody's mother  
Be kind to your friends in the swamp  
Where the weather is cold and damp  
Now you may think this is the end  
Well it is!  
But there is another ending  
This is it.

## Barges

Out of my window looking in the night  
I can see the barges' flickering light.  
Silently flows the river to the sea.  
And the barges too go silently,

*Chorus:*

Barges, I would like to go with you;  
I would like to sail the ocean blue.  
Barges, have you treasures in your hold?  
Do you fight with pirates brave and bold?

Out of window looking in the night,  
I can see the barges' flickering light.  
Starboard shines green and port is glowing red,  
You can see them flickering far ahead. (*chorus*)

Out of my window looking in the night  
I can see the barges' flickering light  
Carrying their cargo far across the sea  
How I wish that someday they'd take me. (*chorus*)

How my heart yearns to sail away with you  
How I long to sail the ocean blue  
But I must stay beside my window clear  
As I watch you sail away from here. (*chorus*)

## Bed Is Too Small

Bed is too small for my tiredness  
Give me a hill topped with trees.  
Tuck a cloud up under my chin.  
Lord, blow the moon out, please.

Rock me to sleep in a cradle of dreams.  
Sing me a lullaby of leaves  
Tuck a cloud up under my chin  
Lord blow the moon out, please

## Bill Grogan's Goat

Bill Grogan's goat  
Was feeling fine  
Ate three red shirts  
Right off the line  
Bill took a stick  
Gave him a whack  
And tied him to  
The railroad track  
The speeding train  
Was drawing nigh  
Bill Grogan's goat  
Was doomed to die  
He moaned and groaned  
And writhed with pain  
Coughed up the shirts  
Flagged down the train.

*Repeat with tongue sticking out*

## Backwards Song

*Motions match action words*

Well, I walked up the door  
And I opened the stairs  
Said my pajamas  
And I put on my prayers  
Turned off the bed and  
Jumped into the light  
All because you kissed me,  
Good night!

Well, I woke up next morning  
And I scrambled my shoes  
Shined up the eggs  
And I toasted the news  
Buttered my tie and  
Took another bite  
All because you kissed me,  
Never could resist me,  
All because you kissed me,  
(*make kissing sound*)  
Good Night

## **Bats Eat Bugs**

Bats eat bugs, they don't eat people.  
Bats eat bugs, they don't fly in your hair.  
Bats eat bugs, they eat insects for dinner.  
That's why they're flyin' up there.

Coyotes eat rabbits, they don't eat people  
Coyotes eat rabbits, cause you're too big to bite  
Coyotes eat rabbits, they eat rabbits for dinner  
That's why they're out in the night.

Snakes eat mice, they don't eat people.  
Snakes eat mice, that's why they're on the ground  
Snakes eat mice, they eat mice for dinner  
And they don't want you hangin' around.

Bears eat berries, they don't eat people  
Bears eat berries, they don't eat you or me  
Bears eat berries, but they might eat your dinner  
So you better hang it high in a tree!

Nothin' out there, wants to eat you  
Nothin' out there, wants to make you its meal  
Nothin' out there, wants to eat you  
'Cause they know how sick they would feel.

Don't try to fence me in for I'll protest.  
Just watch my colors bloom in the sun.

There's a daisy on my toe  
It is not real, it does not grow  
It's just a tattoo of a flower  
'Cause it looks neat while taking a shower  
It's on the second toe of my left foot  
A stem and flower, it has no root  
'Cause that wouldn't look good  
There's a daisy on my toe  
My right foot loves my left foot so.  
(Kissy noise, right foot "kisses" left foot)

## **Dear Friend**

Dear friend of mine  
Met not long ago  
Been so good to me  
Why I do not know

*Chorus:*

And now you've gone away  
Forever and a day  
And this I have to say  
I'll miss you for always

Dear friend of mine  
Tell me what you see  
Where you say you'll go  
You'll wander just like me (chorus)

Dear friend of mine  
I love you in every way  
What you mean to me  
I can never say

And now you've gone away  
Forever and day  
And this I have to say  
I'll love you for always, please stay.

## **Doughnut Store**

*(tune: The Turkey in the Straw)*

Well, I walked around the corner,  
And I walked around the block.  
I walked right into the doughnut shop.  
I picked me a doughnut fresh off the grease  
And I handed the lady a five cent piece.

Well, she looked at the nickel  
And she looked at me  
And she said, "this nickel is no good you see.  
There's a whole in the middle and it goes right through."  
And I said, "there's a hole in my doughnut too!"  
Thanks for the doughnut, so long.

## Each Campfire Lights Anew

Each campfire lights a new  
The flame of friendship true.  
The joy we've had in knowing you  
Will last our whole life through.

And as the embers die away  
We wish that we could ever stay.  
But since we cannot have our way  
We'll come again some other day.

## Friendship is

Friendship is a shining thing  
A steady beam of light  
A lantern on a lonely street  
A song far in the night  
A smile and the touch of a loving hand  
An outpost on a hill  
And oh, what a happy little child  
Bringing home a daffodil.

Friendship is a binding tie  
Of one soul to another  
A gentle, tender relationship  
Of child to its father and mother  
A raindrop sparkling on an autumn leaf  
An outpost on a hill  
And oh, what a happy little child  
Bringing home a daffodil.

Friendship is a happy thought  
A warmness in your heart  
Friends are those who understand  
That friends will never part  
Of two people very much in love  
In a life that is never still  
And oh, what a happy little child  
Bringing home a daffodil.

Friendship is a fragile thing  
Give it love and care  
Remember that it's beautiful  
When love two people share  
Cling not too tightly to that word  
And your life it can fulfill  
And oh, what a happy little child  
Bringing home a daffodil.

Friendship is a loving thing  
It adds to life a glow  
The feeling that the little fawn  
Has for the mother doe  
Comfort in the time of need  
The moon shining on the hill  
And oh, what a happy little child  
Bringing home a daffodil.

Friendship is a flowering thing  
That grows throughout the years  
Nourished by our thoughtful deeds  
Our memories and our tears  
It may be fragile at the start  
But soon it's growing strong  
And like a healthy, sturdy plant  
It blooms our whole life through

Friendship feels so warm inside  
It heals the broken soul  
The road is rough but at the end  
A love we both shall know  
So, warm the sadness wrapped around  
your heart  
And let friendship shine through  
And remember love and the daffodil  
And how they both grew

## **Flicker**

The flicker of a campfire, the wind in the pines,  
The moon in the heavens, the stars that shine.  
A place where people gather, meet friends of all kinds,  
A place where old man trouble is always left behind.

*Chorus:*

So give me the light of a campfire, warm and bright,  
And give me some friends to sing with; I'll be here all night.  
Love is for those who find it; I found mine right here.  
Just you and me and the campfire and songs we love to hear.

The peacefulness of the silence of the night,  
The sun in the morning shining so bright.  
The place where campers gather making friends for all time.  
A place where city troubles are always left behind. (*chorus*)

Girl Scouts together, that is our song,  
Winding the old trails, rocky and long.  
Learning our motto, living our creed,  
Girl Scouts together in ev'ry good deed.

Girl Scouts together, happy are we;  
Friendly to neighbors far o'er the sea;  
Faithful to country, loyal to home,  
Known as true Girl Scouts wherever we roam.

Girl Scouts together onward we go  
Joining as sisters stronger we grow  
Mother and lawyers, women in space  
We know no boundaries, the future's our place.

Green trees 'round us, blue skies above;  
Friends all around us in a world filled with love.  
Taps sounding softly, hearts beating true,  
As campers sing goodnight to you.

Day is done, gone the sun,  
From the lake, from the hill, from the sky.  
All is well, safely rest, God is nigh.

Come on, say goodnight,  
As the evening shadows fade into the night.  
With each living, glowing ember  
There are friendships to remember  
As we sing one last goodnight,  
Goodnight, goodnight.

## **Have you ever gone fishing?**

Have you ever gone fishing on a hot summer's day?  
Sitting on the fence and the fence gives away?  
Alligator's got you by the seat of your pants  
And all the little fishies do the hoochie coochie dance?  
You never have and you never will

Have you ever gone swimming on a hot summer's day?  
All the little fishies swimming up and down the bay?  
With their hands in their pockets and their pockets in their pants  
And all the little fishies do the hoochie coochie dance?  
You never have and you never will

Have you ever gone sailing on a hot summer's day?  
Putting up the sail and the mast gives away  
Boat tipped over and you lost your pants  
And all the little fishies do the hoochie coochie dance?  
You never have and you never will

Have you ever been fishing on a cold, winter day  
And seen all the little fishies frozen solid in the bay,  
With their hands in their pockets and their pockets on their pants  
And it's too darn cold to do the hoochie coochie dance.  
You never have and you never will

Well, I've been fishing on a bright sunny day.  
And I've seen the fishies swimming up and down the bay.  
With their hands in their pockets and their pockets in their pants.  
But I never seen the fishies do the hoochie coochie dance  
I never have and I never will.

## **I Know A Place**

I know a place where no-one ever goes.  
There's peace and quiet, beauty and repose.  
It's hidden in a valley beside a mountain stream,  
And lying there beside the stream I find that I can dream.  
Only of things of beauty to the eye;  
Snow-peaked mountains a tow'ring to the sky.  
Now I know that God made the place for me.

*Optional 2<sup>nd</sup> Verse:*

One can imagine oneself, as in a dream  
Climbing a mountain, or down a small ravine.  
The magic of the peace and quiet always will stay  
To make this place a haven each and every day.  
Oh, how I wish I'd never have to leave  
And all my life such beauty could receive!  
Now I know that God made this world for me.

I'm proud to be me but I also see  
You're just as proud to be you  
We might look at things a bit differently  
But lots of good people do

That's just human nature so why should I hate ya  
For being as human as I  
We'll get as we give if we live and let live and  
We'll both get along if we try

I'm proud to be me but I also see  
You're just as proud to be you, (it's true)  
You're just as proud to be you.

Let there be peace on earth,  
And let it begin with me.  
Let there be peace on earth  
The peace that was meant to be.  
With God as our father  
We are family.  
Let us walk with each other  
In perfect harmony.

Let peace begin with me  
Let this be the moment now.  
With every step I take  
Let this be my solemn vow.  
To take each moment  
And live each moment  
With peace eternally.  
Let there be peace on earth,  
And let it begin with me.

## **Linger**

Mm-m, I want to linger  
Mm-m, a little longer  
Mm-m, a little longer here with you  
Mm-m, it's such a perfect night  
Mm-m, it doesn't seem quite right  
Mm-m, that this should be our last with you  
Mm-m, and come September  
Mm-m, we'll all remember  
Mm-m, our camping days and friendships true  
Mm-m, and as the years go by  
Mm-m, we'll think of you and sigh  
Mm-m, this is good night and not good-bye.

## Magic

*Chorus:*

Magic is the sun that makes a rainbow out of rain.  
And Magic keeps the dream alive to try and try again.  
Magic is the love that stays when good friends have to leave.  
I do believe in Magic, I believe.

When I was young, I thought the stars were made for wishing on.  
And every hole deep in a tree must hide a leprechaun.  
Old houses all had secret rooms, if one could find the key.  
I do believe in Magic, I believe. (*chorus*)

Growing up, the grownups said, someday I'd wake to find,  
that Magic's just a childhood dream I'd have to leave behind.  
Like clothes that would no longer fit, and toys that I'd ignore.  
I'd not believe in Magic, anymore. (*chorus*)

When I grew up, I learned again, that much to my surprise,  
Magic did not fade away, it took a new disguise.  
A child, a friend, a smile, a song, the courage to stand tall,  
I do believe in magic, after all. (*chorus*)

*Chorus:* Me and my dinosaur  
I never had such a friend before  
Big as house, twenty times and a half  
And fifty times taller than any giraffe  
Legs, long as sequoia trees  
Teeth, big as piano keys  
No two people are buddies more  
Than me and my dinosaur

We hopscotched to Africa quick as a breeze  
While leapfrogging over the coconut trees  
And when we got thirsty, mile after mile  
In one great big gulp we just drank up the Nile. (chorus)

## **Moon On The Meadow**

*By Leslie Griffen Lawson and Peg Pageler Clark*

Moon on the meadow, bugs in our ears  
Smoke in our eyes, wet wood and tears  
On up the meadow, water somewhere  
We were the only ones there.

Wild Horse and Slushy, Dry Lakes, the Peaks  
Finding the love there everyone seeks  
Hiking to rainbows, sunsets and stars  
Just finding out who we are.

We will return here one lucky day  
Our hearts will guide us,  
They've learned the way  
People in cities, don't understand  
Falling in love with land.

Moon on the meadow, bugs in our ears  
Smoke in our eyes, wet wood and tears  
On up the meadow, water somewhere  
With you my friend, I am there.

## **Our Cabaña Song**

1. 'Neath the ground Sierra Madre  
On a plain in Mexico,  
Lies our beautiful Cabaña  
Where Girl Scouts and Girl Guides go.  
Oh, come then to see the mountains,  
The cactus and sunny skies;  
Hear the cricket in the evening;  
see the white moon arise.

2. When you see the warm red roofs  
You think of the hearts that glow with cheer,  
And the walls of sturdy stonework  
Stand for friendships so dear.  
Each day there is filled with laughter,  
Each evening is filled with song,  
And our stay in Our Cabaña  
Gives us memories life-long.

3. When we go to Our Cabaña  
We will find ourselves at home;  
There's a greeting smile so friendly  
And a handshake so warm.  
So come now to Our Cabaña  
World friendships to increase  
And carry to your homeland  
International peace.

## **Our Chalet Song**

1. High up, high on the mountain,  
We've founded our Chalet.  
High up, high on the mountain,  
We've founded our Chalet.  
Its sloping roof and wide  
Shall shelter us without a care.  
And each Girl Scout and Guide  
Shall find a welcome there.

2. High up, high on the mountain,  
We'll go to our Chalet.  
High up, high on the mountain,  
We've founded our Chalet.  
Our simple life is free,  
Our hearts are light, our songs are gay,  
We ever shall remember  
The joys of our Chalet.

3. High up, high on the mountain,  
We've founded our Chalet.  
High up, high on the mountain,  
We've founded our Chalet.  
And this its dedication  
Shall never fail nor be undone;  
Each race, each creed, each nation,  
Beneath its roof are one.

## On the Loose

*Chorus:*

On the loose to climb a mountain  
On the loose where I am free,  
On the loose to live my life  
The way I think my life should be;  
For I only have a moment,  
And a whole world yet to see  
I'll be looking for tomorrow on the loose

1. Have you ever seen the sunset  
Turn the sky completely red?  
Have you slept beneath the moon and stars,  
With a pine bough for your head?  
Do you sit and talk with friends  
Though a word is never said?  
Then you're just like me  
And you've been on the loose. (*chorus*)

2. There's a trail that I'll be hiking  
Just to see where it may go.  
Many places yet to visit,  
Many people yet to know.  
So in following my dreams  
I will live and I will grow  
In a world that's waiting  
Out there on the loose. (*chorus*)

3. So in search of love and laughter  
I'll be traveling 'cross this land.  
Never sure of where I'm going  
For I haven't any plan  
But in time when you are ready  
Come and join me,  
Take my hand  
And together we'll share life out  
on the loose. (*chorus*)

Fish and chips and vinegar, pepper, pepper, pepper, pot.

## **On My Honor**

*Originally by Cindy Dasch 1981*

*Chorus (sung 1<sup>st</sup>):*

On my honor, I will try,  
There's a duty to be done and I say "aye";  
There's a reason here for a reason above;  
My honor is to try and my duty is love.

People don't need to know my name.  
If I do any harm then I'm to blame.  
When I help another, then I help me,  
If I've opened up my eyes to see.

I've tucked away a song or two.  
If you're feeling low, there's one for you.  
When you need a friend, then I will come;  
There are many more where I come from. *(chorus)*

Come with me where a fire burns bright.  
We can even see better in a candle's light,  
But, we find more meaning in a campfire's glow,  
Than we'd ever learn in year or so.

We've made a promise to always keep,  
And the day is done before we sleep.  
We'll be Girl Scouts together, and when we're gone,  
We'll still be trying and singing this song. *(chorus)*

*Girl Scouts Greatest Hits Vol's 1-6*

## **Old Lady Leary**

Strength to lead and faith to follow  
All are given unto me  
Peace I ask of thee, O river

## **Pink Pajamas**

*(tune: Battle Hymn of the Republic)*

I wear my pink pajamas in the summer when it's hot  
I wear my flannel nightie in the winter when it's not  
And sometimes in the springtime and sometimes in the fall,  
I jump between the sheets with nothin' on at all.

Glory, Glory what's it to ya'?  
Glory, Glory what's it to ya'?  
Glory, Glory what's it to ya'?  
If I jump between the sheets with nothin' on at all.

## **The Princess Pat**

The Princess Pat  
Light infantry  
She sailed across  
The seven seas  
She sailed across  
The Channel too  
And she took with her  
A ric-a-dam-doo

*Chorus:*

A ric-a-dam doo  
Now what is that?  
It's something made  
By the Princess Pat  
It's red and gold  
And royal blue  
That's why it's called  
A ric-a-dam-doo

Now Captain Jack  
Had a mighty fine crew  
They sailed across  
The Channel too  
But their ship sank  
And yours will too  
Unless you take  
A ric-a-dam-doo *(chorus)*

Background:

The Princess Patricia's Canadian Light Infantry was organized in 1914 named after the Princess Patricia of Connaught (Honorary Colonel-in-Chief). Their flag was called the Ric-a-dam-doo (which means "cloth of thy mother") and was gold and red and royal blue. The Channel is probably the English Channel. Members of the infantry are never called Pats they are called Patricias. They were the only Canadian unit to receive a U.S. Presidential citation during the Korean War. The citation is carried as a streamer on their flag (which they call colors).

## **Running Bear**

*Chorus:* Oh, Running Bear, loves Little White Dove  
With a love as big as the sky  
Oh, Running Bear loves Little White Dove  
With a love that never dies

On one side of the river,  
Stood Running Bear, Indian brave.  
On the other side of the river,  
Stood a lovely Indian maid.  
Little White Dove was her name  
And she was a sight to see,  
But their tribes fought together  
So their love could never be. *(chorus)*

Running Bear jumped into the water,  
Little White Dove did the same.  
The swam towards each other,  
Through the swirling waters they came.  
First their eyes met, then their lips touched,  
Then the swirling waters pulled them down.  
Now they'll always be together,  
In their happy hunting ground. *(chorus)*

## Ragtime Cowboy Joe

Way out west where the bad men are  
And the only thing to guide them is the evening star  
Is the roughest, toughest man by far,  
He's the Ragtime Cowboy Joe.

He always sings ragtime music to his cattle  
As he swings back and forth in the saddle  
Of his horse... pretty good horse  
A syncopated gaiter and it's such a funny meter  
To the roar his repeater  
How they run  
When they hear the fellow comin'  
Cause the western folks all know  
What do they know?  
He's a high falootin' rootin' tootin'  
Son of gun from Arizona  
Ragtime cowboy  
Talk about your cowboy  
Ragtime Cowboy Joe.

hands palms up, shrug shoulders  
fist swing on BUT...

*repeat, dropping one phase with each repeat doing only the motions, humming tune, until the entire song is humming, except last line, end at "do".*

## Shake Another Hand

Shake another hand  
Shake the hand next to ya  
Shake another hand  
And sing this song  
Shake another hand  
Shake the hand next to ya  
Shake another hand  
And sing....  
And sing this song

*Chorus: (clapping)*

A la la la la la A la le lu ia  
A la la la la la A la le lu  
A la la la la la A la le lu ia  
A la la la la laaaa...  
Al le lu ia...

*Verses:*

Hug another friend...  
Bump another rump...  
Scratch another back...  
Clap another hand...  
Tweak another cheek...

*(Anything else you make up)*

## **Sippin' Cider**

*(after each four lines,  
the whole group sings  
all four lines together)*

The cutest guy  
I ever saw  
Was sippin' ci-  
-der through a straw.

I asked him if  
He'd show me how  
To sip that ci-  
-der through a straw.

First cheek to cheek  
Then jaw to jaw  
We sipped that ci-  
-der through a straw.

Every now and then  
The straw would slip  
And we'd sip ci-  
-der lip to lip.

And now I have  
A mother-in-law  
And forty-nine kids  
Who call me Ma.

The moral of  
This story is  
Don't sip your Ci  
-der lip to lip!

Drink milk instead, ha ha!

## **Shooting Star**

Please won't you catch a shooting star for me,  
And take it with you on your way.  
Although we just met, you're the one I won't forget.  
Hope some kind of wind blows you back my way.

*Chorus:*

And I was thinking maybe somewhere down the road  
After all our stories have been told,  
I'll sit and think of you, the good friend I once knew,  
Shot through my life like a shooting star.

Sometimes I know that part of you will show  
Deep in my heart or in my smile.  
There will always be a part of you deep inside heart  
And I'll know just when to let it show. (*chorus*)

You are so dear, you're my light and shining star.  
You brighten up each and every day.  
You are so near, but soon you'll be so far.  
So why not hold my hand today. (*chorus*)

## **Snap! Crackle! Pop!**

*(three part song, all song together)*

Snap now, snap now, snap's the sound  
You've gotta have snap or the world's not round  
I snap, you snap, we snap, they snap  
SNAP! (*pause, pause*) Makes the world go round.

I like crackle that crispy sound  
You've gotta have crackle or the world's not round  
Geese cackle, feathers tickle, boys are fickle, have a pickle  
(*pause*) CRACKLE! (*pause*) Makes the world go round

Pop now, pop now, pop's the sound  
You've got to have pop or the world's not round  
Orange pop, lemon pop, lime pop, grape pop  
(*pause pause*) POP! Makes the world go round.

## Spider's Web

*Chorus:*

It's a web like a spider's web  
Made of silver light and shadow  
Spun by the moon in my room at night  
It's a web made to catch a dream  
Hold it tight until I awaken  
As if to tell me  
My dream is alright

Down in the valley, there's a mission  
By the old oak tree  
There's a fountain  
By the river where my love told me (*chorus*)

I met a stranger, his name was Danger  
We rode side by side  
Down in Santa Fe  
I killed a man they say  
Danger to me to ride (*chorus*)

Now if I return  
They will hang me from the old oak tree  
Down in the valley  
By the mission  
Where my love told me (*chorus*)

## **Taps**

Day is done,  
Gone the sun  
From the lake,  
From the hill,  
From the sky,  
All is well,  
Safely rest  
God is nigh.

*Daylight version  
(approved by Lady Baden-Powell)*

Thanks and praise  
For our days  
'Neath the sun,  
'Neath the stars,  
'Neath the sky.  
As we go,  
This we know  
God is nigh.

*Girl Scout Pocket Songbook, 1997  
Girl Scouts Greatest Hits vol 1-6*

## **The Golden Sun**

*International Girl Scout Goodnight*

The golden sun sinks in the west  
Great spirits call Girl Scouts to rest  
We've had work, we've had our play  
And we have lived in the Girl Scout way.

## **Tony Chestnut**

Tony Chestnut knows I love you.	<u>Motions:</u> Toes, knees, chest, head, nose, eyes, heart, point to you

## **The Beetle Song**

*(tune: Head, Shoulders, Knees and Toes)*

Once a Girl Scout went to camp (went to camp)  
She went to bed without a lamp (without a lamp)  
And when she found a beetle in her bed  
This is what the Girl Scout said (girl scout said)

Beetle, beetle go away (go away)  
In this bed you cannot stay (you cannot stay)  
Remember what the Girl Scout leader said,  
“No two bodies in one bed” (in one bed)

Once a Boy Scout went to camp (went to camp)  
He went to bed without a lamp (without a lamp)  
When he found a beetle in his bed  
This is what the Boy Scout said

## **The Birdie Song**

*By A. Woolfe*

Away up in the sky, the little birdies fly  
Way down in the nest, the little birdies rest  
With a wing on the left  
And a wing on the right  
The little birdies sleep, all through the night  
Shhh... THEY'RE SLEEPING  
The bright sun comes up, the dew falls away  
Good morning, good morning,  
The little birdies say.

### Motions:

arms up to sky then make wings  
arms down then hand like a pillow  
left arm makes a wing  
right arm makes a wing  
hand like pillow, sing quietly  
shh finger at mouth then yell  
arms like sun, hands down “falling”  
arms up and down at elbow twice

## **The Star Spangled Banner**

*By Francis Scott Key 1814*

Oh, say can you see by the dawn's early light  
What so proudly we hailed at the twilight's last gleaming?  
Whose broad stripes and bright stars thru the perilous fight,  
O'er the ramparts we watched were so gallantly streaming?  
And the rocket's red glare, the bombs bursting in air,  
Gave proof through the night that our flag was still there.  
Oh, say does that star-spangled banner yet wave  
O'er the land of the free and the home of the brave?

## **The Bear Song**

*(after each four lines,  
the whole group sings  
all four lines together)*

The other day  
I met a bear  
Out in the woods  
A way out there.

He looked at me  
I looked at him  
He sized up me  
I sized up him

He said to me  
“Why don’t you run?  
I see you ain’t  
Got any gun”

And so I ran  
A-way from there  
But right behind  
Me was that bear

Ahead of me  
There was a tree  
A great big tree  
Oh glory be

The nearest branch  
Was ten feet up  
I had to jump  
And trust my luck

And so I jumped  
In to the air  
But I missed that branch  
A way up there

Now don’t you fret  
And don’t you frown  
‘Cause I caught that branch  
On the way back down

That’s all there is  
There ain’t no more  
Unless I meet  
That bear once more

## **Thanks Be To God**

*(tune: Wendy)*

Thanks be to God, the Spirit Almighty  
Thanks be to God, who gives us our bread,  
Thanks be to God, the Spirit Eternal,  
Thanks be to God forever

## **The More We Get Together**

The more we get together, together, together,  
The more we get together, the happier we’ll be.  
For your friends are my friends,  
And my friends are your friends,  
The more we get together, the happier we’ll be.

The more we get together, together, together,  
The more we get together, the happier we’ll be.  
For I know that you know,  
And you know that I know,  
The more we get together, the happier we’ll be.

## **Time Has Come**

The time has come for us to say  
That this has been a lovely day  
And the time we’re spending here with you  
It won’t be finished when the day is through  
So have a good night  
Have a good night  
Have a good night  
Have a good night  
My good friend

## Three Chartreuse Buzzards

Three (*hold up 3 fingers*) chartreuse buzzards, (ack!)  
Three (*hold up 3 fingers*) chartreuse buzzards, (ack!)  
Three chartreuse buzzards sitting on a dead log. (*Pose as a dead tree*)  
Oh, look (point somewhere up) one flown A-way (*sweep finger across the sky*)  
What a shame (back of hand to forehead)

*repeat for two and one*

No (*shake head no*) chartreuse buzzard, (*sniff*)  
No (*shake head no*) chartreuse buzzard, (*sniff*)  
No chartreuse buzzards sitting on a dead log. (*Pose as a dead tree*)  
Oh, look one has re-turned, let us re-joyce (*shake hands in air*)

One (*hold up 1 finger*) chartreuse buzzards, (ack!)  
One (*hold up 1 finger*) chartreuse buzzards, (ack!)  
One chartreuse buzzard sitting on a dead log. (*Pose as a dead tree*)  
Oh, look one has Re-turned, let us re-joyce (*shake hands in air*)

*repeat for two, three (on last verse end at dead log)*

## This Land is Your Land

*words and music by Woody Guthrie*

*Chorus:*

This land is your land, this land is my land  
From California, to the New York Island  
From the redwood forest, to the gulf stream waters  
This land was made for you and me

As I was walking a ribbon of highway  
I saw above me an endless skyway  
I saw below me a golden valley  
This land was made for you and me (*chorus*)

I've roamed and rambled and I've followed my footsteps  
To the sparkling sands of her diamond deserts  
And all around me a voice was sounding  
This land was made for you and me (*chorus*)

## Three Little Angels

Three little angels all dressed in white  
Tryin' to get to heaven on the end of a kite  
But the kite string broke and down they all fell  
Instead of going to heaven they all went to...

Two little angels... then  
One little angel... then

Three little devils all dressed in red  
Tryin' to get the heaven on the end of a thread  
But the thread broke and down they all fell  
Instead of going to heaven they all went to...

Two little devils... then  
One little devil... then

Three little witches all dress in black  
Tryin' to get to heaven in a pink Cadillac  
But the Cadillac broke and down they all fell  
Instead of going to heaven they all went to...

Two little witches... then  
One little witch... then

Three little Girl Scouts all dressed in green  
Trying tryin' to get to heaven on a washing machine  
But the washer broke and down they all fell  
Instead of going to heaven they all went to...

Two little Girl Scouts... then

*Last verse:*

One little Girl Scout all dressed in green  
Tryin' to get to heaven on a washing machine  
But the washer broke and down they all fell  
Instead of going to heaven they all went to...  
Don't get excited, don't lose your head  
Instead of going to heaven they all went to BED!

*Other possible verses:*

Martians dressed in green... in a yellow submarine (sank)  
Or any other rhyme you make up (color rhymes with transportation)

## **Wa-da-lee-acha**

Wa da lee acha,  
Wa da lee acha  
Doodle lee do,  
doodle lee do

### Motions:

clap thighs twice, clap hands twice  
wave hands over each other twice, reverse hands  
Rt. hand to nose then left shoulder, repeat w/left  
“chicken dance” fingers

Wa da lee acha, Wa da lee acha                      motions repeated as above  
Doodle lee do, doodle lee do  
Simplest thing, there isn't much to it  
All you gotta do is doodle lee do it  
I like the rest, but the part I like best goes  
Doodle lee doodle lee do, whoo!                      on the last “do” tap shoulders, on “who!” throw arms up

*Repeat entire song faster and faster until you can't do it anymore*

## **We Change The World**

Change the world, come with me  
Time to let our dreams fly free.  
And it comes so easily, that is our way.  
Every moment we're alive, it's our love that will survive,  
In the Girl Scouts together, We Change The World.

Sisters of every color, friends from everywhere.  
We all make the difference, when we show the world we care.  
The Girl Scouts are our family,  
And they show us what we can be  
And I believe together, We Change The World.

Change the world, come with me  
Time to let our dreams fly free.  
And it comes so easily, that is our way.  
Every moment we're alive, it's our love that will survive,  
In the Girl Scouts together, We Change The World.

In a world with many faces, Girl Scouts find a way  
To help in many places, along the trails we blaze.  
We'll light the light and do our share,  
Reach out your hand and someone's there,  
And I believe together, We Change The World.

Change the world, come with me  
Time to let our dreams fly free.  
And it comes so easily, that is our way.  
Every moment we're alive, it's our love that will survive,  
In the Girl Scouts together, We Change The World

## **Weave**

*By Rosemary Crow, 1979, Theme song for the 1984 World Conference*

*Chorus:*

Weave, weave, weave us together,  
Weave us together in unity and love,  
Weave, weave, weave us together,  
Weave us together, together in love.

We are many textures, we are many colors,  
Each one different from the other  
But we are entwined with one another,  
In one great tapestry. *(chorus)*

We are different instruments, playing our own melodies  
Each one tuning to a different key.  
But we are all playing in harmony  
In one great symphony. *(chorus)*

A moment ago, still we did not know  
Our unity, only diversity,  
Now the love in me greets the love in thee  
In one great family. *(chorus)*

## **We're Great**

We're great but no one knows it  
No one knows it so far  
Someday they'll realize  
How wonderful we are.  
They'll look at us and point at us  
And then they'll shout "hurray!"  
We're great but no one knows it  
But they will someday.

## **White Coral Bells**

*(two part round)*

\*White coral bells upon a slender stalk,  
\*Lilies of the valley deck my garden walk.

Oh, don't you wish that you could hear them ring?  
That will happen only when the fairies sing.

*Still Singing after all these years, 2007  
Girl Scouts Greatest Hits Vol's 1-6, 1997*

## **Whene'er You Make A Promise**

*(two or four part round)*

When e'er you make a promise  
Consider well its importance  
*(pause)* And when made,  
engrave it upon your heart.

*Girl Scouts Greatest Hits vol 1-6, 1997*

## **The Wind In The Willows**

*(four part round)*

The wind in

Like a solitary soul  
Alone

## **With People I Like**

*Chorus:*

(Well) It's so nice to be here with people I like  
And it's so nice to hear them all say,  
That it's so nice to be here with people I like,  
And with them to share a new day.

It's a new day were living in  
Filled with bounty and praise.  
The cold and the darkness is driven away  
While morning light blesses our days. And (*chorus*)

The people I like are the people I find  
Who live with a smile of care.  
Their looks and their lives are different than mine  
But together this new day we share. And (*chorus*)

Time spent apart seems to fade away  
Smiling faces warm us inside.  
We can talk without saying a word  
Our love is deep, it does not die. And (*chorus*)

## **White Sands**

*(three part round)*

White sands and gray sands.  
Who will buy my white sands?  
Who will buy my gray sands?

## **You're a Grand Old Flag**

*by George M. Cohan*

You're a grand old flag,  
You're a high flying flag  
And forever in peace may you wave.  
You're the emblem of  
The land I love.  
The home of the free and the brave.  
Ev'ry heart beats true  
'neath the Red, White and Blue,  
Where there's never a boast or brag.  
Should auld acquaintance be forgot,  
Keep your eye on the grand old flag.
